

STATEMENT OF PURPOSE

RS18734

This additional language allows the Department of Transportation to negotiate for and create special trailer or semi-trailer Idaho National permanent plates for the shipping industry to put on their shipping trailers nationwide.

FISCAL NOTE

There are approximately 5.6 million trailers in the US. At the current registration rates for a permanent plate, this allows Idaho to sell registrations and plates to compete for the \$627,000,000.00 available.
